SPIT OR SWALLOW

Do you spit or swallow? It's now a phrase that rivals "To be or not to be?" in social popularity. So, when giving a BJ girls, do you think guys want you to swallow or spit? And if you choose to swallow, do you like the taste or is it something you can deal with?

We guys hope that you will swallow. It's cool and makes us think you care, kinda. But in reality, most of us will not care if you spit, we're just thankful we're getting us a BJ at all.

A GUIDE TO: SPIT OR SWALLOW

Before your guy cums, both of you should be clear about where you prefer his semen to go before the blow job. I know it's something that most of time is not going to be discussed, especially if you two are new to the relationship, or just having a quickie. Use your best discretion at times like this.

Most guys want to cum in the woman's mouth, but not every woman likes that. If you don't like or want him to come in your mouth, it's okay. Hopefully that won't stop you from giving a great blow job. Much of what you do with his cum during/after a blow job depends on the situation. If you're in bed, it's easier to take it in your mouth and spit in the sink, for example. In a more delicate situation swallowing may be the only alternative, so be ready before you go down on him.

Of course, personal preference is the way women are going to go. They have the control at that moment and have probably already decided what she's going to do with your sperm before you even cum. Please, don't ever force her to do what she doesn't want to do, especially if you want to keep getting blow jobs.

What about the taste of it? Again, that's a personal thing for the woman. Some like it (I don't know any who love it!), and most who swallow, tolerate it. I have heard that fruit or fruit juices make it better, or that water makes the taste milder. Not having tasted it personally, we'll just have to take their word for it.

A GUIDE TO: SPIT OR SWALLOW

What do the ladies say? We asked a rather random sample of friends and lovers to get their comments.

Katherine N: Yeah, it's not gross, but it can take a little getting used to. The thing that takes more getting used to is the texture rather than the taste. Really good cum is thick and gooey and there's lots of it. I actually gagged the first few times I swallowed. After that I never gagged again nor had any trouble swallowing.

Princess: I think I'm pretty good at giving head and I actually like doing it. It usually depends on the situation I'm in whether I will swallow or not. You know sometimes you have to be a little more neat about things and that will require you to swallow. But if possible I prefer just to let him explode all over me. Messy but fun.

Sasha B: I've been called a "blow job queen" because I love doing it. I've dabbled in and out of porn so I've had my share of cock. Privately, I've almost always swallowed, but if it's a huge load, there's not enough room in my mouth for all of it, and I'd gag trying not to swallow. Then I just let it dribble out of my mouth.

Matty K: Personally, I've never found the taste of cum that bad. I mean, it's not my favorite thing to swallow, but unless the guy eats some weird stuff just before the BJ, it doesn't taste that bad. If a guy takes me to lunch or dinner and I know I'm going to give him head, I'll ask him to drink a fruity juice before we get home. If he asks why, I tell him. Now that's a huge turn on for him. Knowing he's going to get a BJ, at the least!

A GUIDE TO: SPIT OR SWALLOW

Ricki H: This is for you guys who tell us to swallow, its not that bad, try having a mouth full of warm, thick, sticky cum shoot into your mouth, then you'll see how bad it is. When me and my boyfriend first got together, there were days when I'd give him two or three BJs and I'd swallow every time. Now, as soon as I taste cum, it's a real turn off. I only swallow when I want him to remember my BJ. All the other time he knows that he should pull it out!

Carmen T: For me, I will swallow because it's the easiest thing to do, especially if you get him to shoot it straight down your throat. That bypasses most of your taste buds and you don't taste as much of it. Just shove it deep in your throat when you know he's about to cum. He'll like that, too.

Jenni L: I don't know what all the negativity is all about? I really love the taste of cum. For others, I guess it would depend on how the guy tastes to them, but for me, I've not yet disliked to swallow.

Olga D: Personally, I don't really know what guys like, but not one has complained if I swallowed. Of course guys like you to swallow. And as far as taste, it depends on what he eats. I don't find the taste or texture bad at all. That's just my opinion. Try it and you will know.

Sandy S: I've given my share of BJs, and hardly ever swallow because I find it gross. I think that if you are good, he not going to worry if you swallow. Never do anything you don't want.

COLLEGE GIRLS ON THE LOOSE

Imagine eighteen and nineteen year old girls on the loose during their first couple years in college. Studying is not that important, after all, there are at least two more years to get that right. Then there are those who only see college as a stepping stone to wealth and fame. As well they should. The world is their oyster!

why ellen doesn't study

I was headed back to my dorm room after my class adjourned. My name is Aileen and I'm a senior with a major in Social Psychology at a prestigious Southern university. My roomie and best friend is Krista. She's a junior with a major in Middle Eastern Political Affairs. We're not really as geeky as our majors sound. We just want the opportunity to travel after our stint at school was over and thought these might be good ways.

I'm the first one back and I throw my books on the floor next to the books from yesterday's classes. I can't wait to get out of all these clothes, so I strip down completely, fix myself some popcorn, pour a glass of soda, and settle on the sofa. I love eating popcorn naked, watching TV. Krista would be coming home any minute. Her class ends about fifteen minutes after mine. So I'm sitting naked on the couch, softly stroking my bald pussy and watching a little TV while I impatiently wait for her.

When I heard the sound of a key in the door, I spring to my feet and as soon as she had entered the door I was on her. No words

were spoken; I wrapped my arms around her, looked lustfully into her eyes and kissed her sexy lips. The way she kissed me back had my body just wanting to melt into hers. Our tongues played together in each other's mouth; our breathing got faster and at the same time carried our moans for each other. She grabbed my bare ass and pulled me even tighter to her, juices from my already aroused pussy were running down my inner thigh. I broke away and told her to get rid of her books.

I pulled her back close to me and after some more lust-filled kissing and our boobs pressed so tight together, I slide my hands under her blouse. Braless, I found her hard little nipples with my fingers; she let out a soft moan, and tilted her head back. One of my hands was massaging a boob as my mouth moved lower down her neck. I pushed her blouse up to where it was bunched up above her breast as my lips quickly found her hard nipple. Softly kissing and then sucking it, before moving on to the other.

I slid my hand down her tummy and found the button to her jeans. I unbuttoned her jeans, while my mouth was busy on her boob. Slipping my hand inside, I was pleased to find her not wearing any underwear at all, and just as I expected, she was quite wet

for me. She took a deep breath as my fingertips parted her pussy lips and slipped one gently inside her.

I crouched in front of her and while I was covering her tummy in kisses and licks, my hands were pulling her jeans off her hips. Her hands were running through my hair, and urging me to go lower. Her jeans were on the floor at her feet, and as my kisses and licks moved lower, she stepped out of her jeans to spread her legs for me. I covered her pussy with my mouth and she immediately pressed into me. I plunged my tongue in her as deep as it would go, tasting that cream filled center of hers. I collect my tongue for another assault and in one slow long lick, I licked from her creamy pussy, to her clit, across her mound, over her bellybutton, between her breasts, up her neck, and found her lips with mine. We melted into each other as we kissed, letting her taste her own juices on my tongue and lips.

I steered her towards the sofa but only got as far as the large oak coffee table in front of it. Once her butt hit it she quickly hopped up on it, and spread her legs for me to stand between. She then leaned back I was kissing down her neck again as she was gently rocking her hips and grinding her wet pussy into me. With a smile I reached into my soda glass and pulled out a large ice cube. With a naughty smile on my face I reached out and slowly traced it down her neck, over her shoulder, across her chest, onto her perfect breasts, across her left nipple. Her wet little nipples were rock hard, and dying to be warmed back up as the water left behind by the ice cube ran down her body.

When my lips reached her nipples, I make sure to get all the water off them and warm them up properly. Kissing back up her neck, our lips then found each other's. Her hands reached out and started playing with my boobs. My nipples were so hard as she played with them and pinched them. Stepping back again, I slowly traced a line down her body with the ice cube, starting at her neck, and ending at her bald pubic mound. Then tracing the cube up and down both sides next to her pussy, and finally ending with it pressed and melting against her clit.

Softly I licked her mound and then licked next to her pussy on both sides, ending with my lips on her swollen clit and softly sucking it. She was wiggling her butt trying to get me to lick the rest of her pussy, as I pulled away again. Opening the drawer under the coffee table, I pulled out a long flesh vibe. It was only about seven inches long, but put out a good buzz. Krista looked at the vibe and quickly said, "Grab two, I have two holes!"

My jaw dropped. I reached back in and grabbed a second vibe, bigger than the first. I twisted the bottom of the black toy and it sprang to life in my hand. I slowly toyed around her pussy with it, running it around her pussy, through her folds and teasing her clit. I dipped the tip inside her, pulling it out and reinserting it as I fondled her boobs. I move my mouth down her body to where the vibe was pleasuring her. She softly moaned, running her fingers through my hair as I licked deep in her pussy. My face was covered in her juices, as I pushed her legs high in the air so that I could tongue that cute little buttthole of hers.

Some of that yummy juice from her pussy had run down to her asshole, so I cleaned her little butt with my tongue. Her asshole nice and lubed up with my saliva, I took the small vibe, twisted it on with one hand, and slowly slid it in her butt. With a deep breath she immediately pressed her butt down to meet it. I then went back to licking her pussy and fucking her with the gold one while slowly fucking her sweet little ass with the red vibe. My pace on the one in her ass was getting faster and deeper. She began rocking her hips to match my thrusts with the vibes in both her holes. My lips latched on to her clit and sucked it for all it was worth. In a matter of moments she was cumming all over me.

Then she took me by the hand and guided me to lay down on the sofa. Then she went to our little kitchenette and pulled a bottle of chocolate syrup out of the refrigerator, she knelt down next to me and we started kissing again. With a naughty smile she started squirting it on my breasts, down my tummy, and on my wet pussy. With both hands she smeared the chocolate syrup all over my breasts and tummy. My breasts looked like two scoops of ice cream covered in chocolate with cherries on top, and that's exactly how Krista treated them. Starting at the bottom of each scoop, she licked her way up, and gave my cherry nipples a little suck every time she reached them. Oh, it felt so good. Some of the chocolate had gotten on her face so, I pulled her to me, kissed her lips and licked the chocolate off her cheek.

Krista's kisses reached my bald mound; I let out a gasp this time instead of reacting to a tickle; I so wanted her mouth on my wet

warm pussy. Her tongue softly licked around my pussy, but never touched it. Everywhere her tongue went, I tried to push my pussy toward it, hoping she would give it the lick it so badly needed. Finally she licked it, and when her wet tongue parted my folds I nearly came. My pussy was so wet and creamy for her, and it felt so good having her tongue in me.

Krista climbed between my legs as I spread them wide for her. She started to lick where she had left off, on my chocolate syrup-covered pussy and started licking it like an ice cream cone. I took a deep breath; yes, finally; I needed to cum! She pushed my legs in the air and with both hands I held them for her as she began licking the chocolate that had run down to my asshole, swirling her tongue around it and probing it. She found the red vibe and positioned it at the entrance of my butt and slid it right in. As soon as I felt it, I pressed down on it in an attempt to help her put it in deeper. Her mouth then went to my pussy, and plunged her tongue deep in me, as she slowly fucked my ass with the vibe. Then she grabbed the gold vibe and plunged it in my pussy. Her pace on the vibes in both my holes quicken and the orgasm I so needed was quickly coming.

Her mouth was sucking on my swollen clit. I was cumming, my head was spinning as the waves of orgasm rippled through my body. We wilted into each other, sliding our chocolate-covered bodies against one another. Holding each other we cuddled and softly kissed for the next several minutes and commented how lucky we were to both have such a hot and fantastic lover. Krista, you're wonderful. Stay that way!
